Subject: NOTICE: IQR-Eligible Hospitals to Submit 3Q 2020 HCAHPS Survey Data by **February 8, 2021**

The submission deadline for the Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS) patient perspectives on care survey data for third quarter (3Q) 2020 discharges (July 1- September 30, 2020) is **February 8, 2021**.

The Centers for Medicare & Medicaid Services (CMS) strongly encourages all hospitals, whether they self-administer the HCAHPS Survey* or use a survey vendor, to submit data well before the deadline to allow time to address any submission issues.

- Inpatient Prospective Payment System (IPPS) hospitals participating in the Inpatient Quality Reporting (IQR) Program must collect and submit HCAHPS data to qualify to receive their full Annual Payment Update. Please see the [3Q 2020 Hospital IQR Program Checklist](#) for further information.
- Non-IPPS hospitals must meet the same submission deadline for their data to be published on the public reporting website.

Review and Correction Period

The Review and Correction Period is February 9-15, 2021. Immediately following the February 8, 2021 data-submission deadline, participating hospitals and survey vendors have a seven-day opportunity, February 9-15, 2021, to access and review the HCAHPS Data Review and Correction Report. The report contains a summary of the data accepted into the HCAHPS Data Warehouse for the quarter. Errors in data accepted into the warehouse by the February 8, 2021 deadline can be corrected. During this seven-day period, corrected data can be submitted to the warehouse to replace incorrect data. New data are not accepted into the warehouse during the Review and Correction Period.
