Subject: NOTICE: IQR-Eligible Hospitals to Submit 1Q 2021 HCAHPS Survey Data by **June 30, 2021**

The submission deadline for the Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS) patient perspectives on care survey data for first quarter (1Q) 2021 discharges (January 1-March 31, 2021) is **June 30, 2021**.

The Centers for Medicare & Medicaid Services (CMS) strongly encourages all hospitals, whether they self-administer the HCAHPS Survey* or use a survey vendor, to submit data well before the deadline to allow time to address any submission issues.

- Inpatient Prospective Payment System (IPPS) hospitals participating in the Inpatient Quality Reporting (IQR) Program must collect and submit HCAHPS data to qualify to receive their full Annual Payment Update. Please see the [1Q 2021 Hospital IQR Program Checklist](#) for further information.
- Non-IPPS hospitals must meet the same submission deadline for their data to be published on public reporting website.

Review and Correction Period

The Review and Correction Period is July 1-7, 2021. Immediately following the June 30, 2021 data-submission deadline, participating hospitals and survey vendors have a seven-day opportunity, July 1-7, 2021, to access and review the HCAHPS Data Review and Correction Report. The report contains a summary of the data accepted into the HCAHPS Data Warehouse for the quarter. Errors in data accepted into the warehouse by the June 30, 2021 deadline can be corrected. During this seven-day period, corrected data can be submitted to the warehouse to replace incorrect data. New data are not accepted into the warehouse during the Review and Correction Period.

EXTRAORDINARY CIRCUMSTANCES EXCEPTIONS (ECE)

In the event that your hospital is unable to submit data or meet requirements due to an extraordinary circumstance, you may request an individual exception.

- For the submission of the HCAHPS data, for the Hospital IQR Program, the ECE must be submitted within 90 calendar days from when you determined that the extraordinary event occurred. The event may occur during the measurement period through the submission or reporting deadline.
- For events adversely impacting your HCAHPS performance, for the Hospital Value-Based Purchasing (HVBP) Program, the ECE must be submitted within 90 days of the date of the extraordinary circumstance. At the latest, ECEs should be submitted no later than 90 days from the last date of the quarter requested. For example, the last day of Q1 2021 is March 31, 2021. The ECE should be submitted no later than 90 days after the end of Q1, which will be **June 29, 2021**.
