Subject: The Joint Commission 2022 Expert to Expert Webinar Series

The Expert to Expert webinar series provides a deep-dive into measure intent, logic, and other clinical/technical aspects of eQMs to assist hospitals in their efforts to improve data use for quality improvement. Three On Demand Expert to Expert webinars have been released (see topics below) that incorporate content from The Joint Commission, Centers for Medicare & Medicaid Services, Mathematica Policy Research, and American Institutes for Research. These On Demand webinars are replays of February and March 2022 webinar broadcasts on the same topics. Continuing Education credits are available until May 30 (11:59pm CT). These webinars are approved for 1 Credit from ACCME, ANCC, ACHE, California Board of Registered Nursing, and IACET. Submit questions about the webinar operations (registration, CE credit) to [pioneersinquality@jointcommission.org](mailto:pioneersinquality@jointcommission.org).
