Prioritizing Patient Safety: Register for March Webinar

In recognition of Patient Safety Awareness Week, March 10-16, 2024, the Centers for Medicare & Medicaid Services (CMS) invites you to a free public webinar: "**Quality Counts, Safety Matters: Prioritizing Patient Safety Through Quality Measurement**" this March. The insightful session will explore how quality measures and policies are being implemented to improve the patient experience.

Meeting Objectives

- Highlight the importance of patient safety.
- Share insights from health care experts on using quality measurement to drive patient safety improvements.
- Explore how the Agency for Healthcare Research and Quality (AHRQ), the Centers for Disease Control and Prevention (CDC), CMS, and the Veterans Health Administration (VHA) are addressing preventable harms.
