Subject: Population & Sampling Measure Submissions Updates for IQR and OQR

An announcement from the Centers for Medicare & Medicaid Services (CMS):

The Hospital Quality Reporting (HQR) System has been updated to simplify the process for submitting Population & Sampling data for Inpatient Quality Reporting (IQR) and Outpatient Quality Reporting (OQR).

The *Save* and *I'm Ready to Submit* buttons have been removed from the Data Form. Once measure data has been entered, you can complete your submission by clicking **Submit**.

As we continue to enhance the HQR system, we'll keep you informed about any changes.
