You've heard of the Fantastic Four. You've heard of "Four score and seven years ago..." But have you heard of the Four C's of the ASC Quality Reporting (ASCQR) Program? They'll help you be successful this year and every year, so keep reading!

- **Connect**—Join our ListServe to receive the latest news and critical information for meeting program requirements.
- **Control**—Manage the various aspects of quality reporting by having key staff members responsible for reporting activities.
- **Change**—Account for staff turnover and include quality reporting activities in your new employee orientation. If someone leaves, find out what role they played in these activities and assign those functions to other staff.
- **Communicate**—Reach out to us by phone, email, or screen-sharing for help in quality reporting. We can even set up an appointment for you, if you prefer.

The deadline for entering healthcare personnel influenza vaccination data (ASC-8) via the National Healthcare Safety Network and entering ASC-9, -10, and -11 through the QualityNet Secure Portal to count toward meeting ASCQR Program requirements is **May 15, 2018**.

Set a specific time for your brief screen-sharing appointment using our [online process](#), or just call us to schedule a convenient time. We can also set up a remote session with you on the spot! Contact us at 866.800.8756 or email us at [qgrsupport@hsag.com](mailto:qgrsupport@hsag.com).
