Ambulatory Surgical Center Quality Reporting News Blast

www.qualityreportingcenter.com

How can “why” lead you to “wise?” Ask enough questions and you’ll get there. Here are some “whys” to help you get “wise” about quality reporting!

- ? Why do I need to have a Security Administrator?
To be able to log in to the QualityNet Secure Portal
- ? Why do I need to log in to the QualityNet Secure Portal?
To run additional data reports, access Secure File Transfer, and submit data via the web-based data collection tool
- ? Why do I need to access Secure File Transfer or run additional data reports?
To review mailings such as your ASC’s dry run data for measures ASC-17 and ASC-18 and ensure that the appropriate Quality Data Codes are included on your claims
- ? Why do I need to report quality data?
To use in your ASC for quality improvement and accreditation purposes and show consumers visiting the [Hospital Compare website](#) what excellent care your facility provides

What is your “why” when it comes to quality reporting? If you have one that isn’t listed here, contact us at 866.800.8756 or email us at oqrsupport@hsag.com, and we’ll answer your “whys” without being wise guys.
