

Tracking Quality Improvement by Using Hospital OQR Data

Description:

Experts in data analytics and quality improvement will discuss state and national Hospital OQR measure performance in 2013, 2014, and 2015, and explain how hospitals can utilize these data to refine processes and improve patient care. A question and answer session will follow the presentation.

Speakers:

Kristy Swanson, BIS

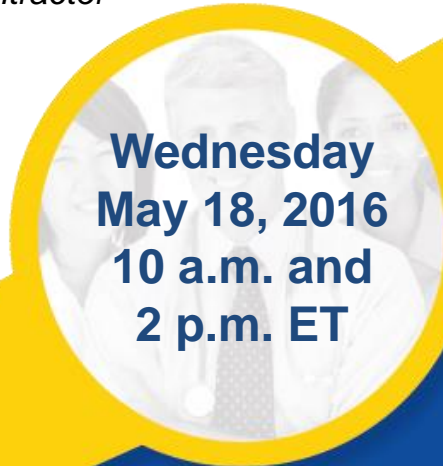

Analytics Manager

Pam Harris BSN, RN

Project Coordinator

Outpatient Quality Reporting Outreach & Education Support Contractor
