Early Management Bundle, Severe Sepsis/Septic Shock Part II

Monday, September 21, 2015
2 p.m. ET

Agenda: This presentation will provide an in-depth discussion to help abstractors and healthcare providers better understand the Septic Shock portion of the SEP-1 data elements and corresponding algorithm flow.

Objectives:
Participants will be able to:
• Identify denominator and numerator criteria
• Describe how to abstract data elements relevant to the Septic Shock portion of the measures
• Explain the flow and interaction of various data elements for the Septic Shock portion of the algorithm

Speaker:
Bob Dickerson, MSHSA, RRT
Health Informatics Solution Coordinator
Hospital Inpatient and Outpatient Process and Structural Measure Development and Maintenance Contractor
