

# The Escape Room: The Search for Clues in Your Data Abstraction

**Description:** We will review some of the most difficult abstraction questions asked by hospitals. Join us for this fun, problem-solving event which will use scenario-based questions with interactive features to enhance your abstracting knowledge.

**Objectives:**

- Recognize some common difficulties with chart-abstracted measures
- Describe tips for resolving abstraction issues

**Speakers:** Hospital OQR Program Support Contractor Team

- Registration is required.
- There is no fee for this activity.
- Audio is streamed from your computer and will require headphones or speakers.
