Make the Time to be Heard

Everyone is busy, that's for sure, but we urge you to take time to review the [OPPS/ASC Proposed Rule](#) that was published by the Centers for Medicare & Medicaid Services (CMS) on August 9, 2019.

CMS is proposing changes to the ASC Quality Reporting Program and wants your feedback, as well as your input, on future topics for consideration. This is your chance to affect policy by submitting your comments, which can be completed anonymously!

Go to www.regulations.gov and click on "Comment Now!"

Don't get too busy and miss the due date for comments! It's **September 27, 2019**.
