Subject: 2022 Q1 Provider Participation Report (PPR) & Facility State & National Report (FSN) Unavailable on January 1, 2022

The Centers for Medicare & Medicaid Services (CMS) would like to announce that the 2022 Q1 Provider Participation Report (PPR) and Facility State & National Report (FSN) will not be available within the HQR System as expected on January 1, 2022. All other reports (e.g., Submission Detail, Potential Duplicate, etc.) related to 2022 Q1 data submissions are expected to be available.

Additional communication will be sent to notify providers when the 2022 Q1 PPR and FSN become available.

As we continue to roll out new features, we will keep you informed about the changes. We appreciate your patience as we work to modernize HQR.
