Subject: Reminder: Public Reporting May 11, 2021 Webinar: July 2021 Public Reporting Claims-Based Measures Hospital-Specific Report Overview

On **Tuesday, May 11, 2021, at 2 p.m. Eastern Time (ET)**, CMS will host an educational webinar: *July 2021 Public Reporting Claims-Based Measures Hospital-Specific Report Overview*. The webinar will provide an overview of the HSRs for select claims-based measures that will be publicly reported in July 2021, including a summary of national results, steps to access and navigate the HSR, and an overview of measure calculations. You may register for the webinar [here](#). The presentation slides and recording will be available after the presentation on the [Hospital IQR Archived Events](#) page of [QualityReportingCenter.com](#).

Refer to the [CMS Releases July 2021 Public Reporting Claims-Based Measures HSRs](#) email notification distributed on May 3, 2021 for more information regarding the HSR, instructions for accessing the HSR, preview period requests and questions about results, and the initial registration announcement for the educational webinar.

This short [video](#) provides instruction on navigating and understanding each field of the HSR and will help hospitals understand the measures on which they are being evaluated, track their outcomes, and further their quality improvement efforts.
