The submission deadline for the Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS) patient perspectives of care survey data for third quarter 2020 (July 1–September 30, 2020) discharges is **February 8, 2021**.

The Centers for Medicare & Medicaid Services (CMS) strongly encourages all PPS-Exempt Cancer Hospitals (PCHs), whether they self-administer the HCAHPS Survey\* or use a survey vendor, to submit data at least two days prior to the deadline to allow time to address any submission issues.

### **Review and Correction Period**

Immediately following the **February 8, 2021** data submission deadline, participating PCHs and survey vendors have a seven-day opportunity, the **February 9-15, 2021 Review and Correction Period**, to access and review the HCAHPS Data Review and Correction Report. The report contains a summary of the data accepted into the HCAHPS Data Warehouse for the quarter. New data are not accepted into the warehouse during the Review and Correction Period. Errors in data accepted into the warehouse by the **February 8, 2021** deadline can be corrected during the February 9–15, 2021 Review and Correction Period. During this seven-day period, the corrected data can be submitted to the warehouse to replace incorrect data.
