# Navigating the IPF Module in the CMS Abstraction & Reporting Tool (CART)

## Thursday • April 20, 2023 • 2 p.m. Eastern Time

**Inpatient Psychiatric Facility Quality Reporting (IPFQR) Program**

### Agenda

This presentation provides an overview of the IPF module in the CMS Abstraction & Reporting Tool (CART). Join us as we show steps to:

- Access and install CART.
- Abstract data for the IPFQR Program.
- Export XML files from the IPF module in CART.
- Run reports in CART.
- Upload XML files to the *Hospital Quality Reporting (HQR) Secure Portal.*
- Resolve issues in CART.

### Objectives

Participants will be able to access and use the IPF module in CART to abstract data and export XML files for upload into the *HQR Secure Portal* to ensure compliance with the data submission requirements of the IPFQR Program.

### Speaker

**Evette Robinson, MPH, CPHQ**
*Program Lead, IPFQR Program*
Inpatient VIQR Outreach and Education Support Contractor
