

Tools for eCQM Implementation: eCQI Resource Center and the Collaborative Measure Workspace

Wednesday • November 13, 2019 • 2 p.m. ET

Agenda

The presentation will provide an overview of the resources available on the eCQI Resource Center, including a demonstration of the Collaborative Measure Workspace (CMW). The CMW was developed based on stakeholder feedback from the CMS eCQM Strategy Project.

Objectives

By the end of the presentation, participants will be able to:

- Describe resources that support the development, implementation, and reporting of electronic clinical quality measures (eCQMs) available on the Electronic Clinical Quality Improvement (eCQI) Resource Center.
- Navigate the eCQI Resource Center to access information on eCQM standards and processes.
- Understand and use the CMW and its components.
