

SSM Health's Sepsis Core Measure Journey

Wednesday • October 23, 2019 • 2:30–4 p.m. ET

Agenda

This presentation will share SSM Health's processes and tools to implement the sepsis core measure and continuously improve results.

Objectives

By the end of the presentation, participants will be able to understand SSM Health's experience:

- Building a comprehensive sepsis improvement plan using a multimodal team approach.
- Creating and using daily and monthly reports to monitor compliance with indicators of sepsis care.
- Using advanced analytics (machine learning) to identify opportunities for program improvement.
