

# Measure Collaboration Workspace Series – Session 3

## Measure Collaboration Workspace and eCQM Data Element Repository

Wednesday • August 12, 2020 • 1 p.m. ET

### Agenda

The final session of the Measure Collaboration Workspace Series highlights the tools supporting electronic clinical quality improvement activities for Eligible Hospitals, Critical Access Hospitals, Eligible Professionals, and Eligible Clinicians reporting eCQMs for CMS quality programs.

### Objectives

Participants will be able to:

- Describe new updates to the electronic clinical quality measure (eCQM) Data Element Repository to aid eCQM data mapping activities.
- Learn ways a health care organization uses the Data Element Repository to understand eCQM requirements.
- Describe resources available to learn more about CMS programs that use eCQMs.

### Speakers

Speaker To Be Determined
