

Hospital-Based Sepsis Care: The Evolving Definition of Sepsis and the Roles of the ED Medical Director and Quality Team in Sepsis Care

Wednesday • October 13, 2021 • 12:30 p.m. ET

Agenda

This webinar will provide a physician's perspective on the evolution of the definition of sepsis and the SEP-1 measure as it relates to population health and sepsis care in the emergency department (ED).

Objectives

Participants will be able to:

- Understand and discuss various sepsis definitions.
- Discuss how the sepsis identification criteria used in the SEP-1 core measure can differ from how sepsis is identified in your facility.
- Understand and discuss the difference between a guideline and a measure.
- Discuss common organizational strategies for achieving success in the early identification and treatment of sepsis.
- Discuss the role of the ED medical director in sepsis quality improvement work.
