

CY 2019 Hospital IQR Program-Promoting Interoperability Program Preparation Checklist for eCQM Reporting – QRDA Category I Test File(s) Instructions

Due	Task	✓
NOW	<input type="checkbox"/> Select at least four (4) of the 15 available electronic clinical quality measures (eCQMs) for one self-selected quarter of 2019 data (Q1, Q2, Q3, or Q4) during the same reporting period. <input type="checkbox"/> Confirm health information technology (Health IT) is certified to the Office of the National Coordinator of Health IT (ONC) 2015 Edition. Visit the Certified Health IT Product List (CHPL) website to ensure the edition is certified to report all eCQMs. <input type="checkbox"/> Contact the QualityNet Help Desk to obtain a <i>QualityNet Secure Portal</i> account and the Electronic Health Record (EHR) Data Upload Role. <input type="checkbox"/> Confirm the Quality Reporting Document Architecture (QRDA) Category I file(s) are constructed per the 2019 CMS Implementation Guide for Quality Reporting Document Architecture Category I Hospital Quality Reporting and 2019 CMS QRDA Category I Schematrons and Sample Files for Hospital Quality Reporting under the Eligible Hospital/Critical Access Hospital eCQMs section of the eCQI Resource Center . <input type="checkbox"/> Download the most recent version of the Pre-Submission Validation Application (PSVA) tool and the user manual from the Secure File Transfer section of the QualityNet Secure Portal to validate the QRDA Category I file(s) for submission. NOTE: CMS is expecting one QRDA Category I file per patient, per quarter, which includes all episodes of care and applicable measures associated with that reporting period. Maximum individual file size is 10 MB. A maximum of 15,000 files can be submitted per ZIP file.	<input type="checkbox"/>
System opens summer 2019 Deadline: 3/2/20 11:59 p.m. Pacific Time*	<p>Submit Test File(s) either via the PSVA tool or directly to the <i>QualityNet Secure Portal</i>. For questions, contact the QualityNet Help Desk.</p> <input type="checkbox"/> A. Use the PSVA tool (The CMS data receiving system performs additional checks since the PSVA tool only validates the file structure.) <ol style="list-style-type: none"> Log into the PSVA tool using your <i>QualityNet</i> User ID and password. Select the Program [HQR_EHR_IQR] for dual program submission. Select the [Add Files] button and the “File Selection” window will open. Locate the ZIP file(s) on the workstation and choose the file(s) to add to the application. (The status will indicate “New” once added.) The File Details Table will display the file(s) based upon the selection in the “Select by File Status” window. Select the file(s) for validation from the File Details Table and Select the [Validate Files] button. Check the status of the file(s). The result will indicate “Valid” or “Invalid.” A feedback file is also available for review. NOTE: Warnings and errors are located in the feedback file; only errors need to be corrected to pass validation. Users can only submit validated file(s) directly from the PSVA tool to the QualityNet Secure Portal. Submit file(s). One or more valid files can be submitted. A pop-up box will indicate file(s) have been successfully submitted. NOTE: This only indicates the file(s) were sent to the CMS data receiving system. <ul style="list-style-type: none"> The file(s) will be sent for data upload processing and put in the Sent folder upon successful scanning. An email notification will be sent stating the file(s) were uploaded successfully. A second email notification will be sent with the number of submitted file(s), number of accepted or rejected uploaded file(s), batch number, and time of submission. If the second email is not received within 24 hours, contact the QualityNet Help Desk. NOTE: The receipt of both emails only indicates the file(s) were received and processed by the CMS data receiving system. Accepted file(s) do not indicate the intent of the measure has been met. Check for file submission success or failure, as indicated in the File Details Table. Visit the <i>QualityNet Secure Portal</i> and Review the status (accepted or rejected) of test file submissions by generating the EHR Hospital Reports via the <i>QualityNet Secure Portal</i>. Refer to the Calendar Year (CY) 2019 EHR Reports Overview for help with interpreting report outcomes. <input type="checkbox"/> B. Use the Secure File Transfer in the <i>QualityNet Secure Portal</i> <ol style="list-style-type: none"> Log into the <i>QualityNet Secure Portal</i>. Select [Secure File Transfer] → [Data Upload] → [testdata]. Select the Reporting Program [ehqrda] and click [Upload]. Go to your own export folder, highlight the cases, and choose [Open]. Submit file(s). For multiple files, ZIP the files prior to uploading. Check the status of the file(s); the result will indicate “Valid” or “Invalid.” Upload file(s) to the system. The folder will display file(s) with “.antivirus.scanning” added to the file name(s). <ul style="list-style-type: none"> The file(s) will be sent for data upload processing and put in the Sent folder upon successful scanning. An email notification will be sent stating the file(s) were uploaded successfully. A second email notification will be sent with the number of submitted file(s), number of accepted or rejected uploaded file(s), batch number, and time of submission. If the second email is not received within 24 hours, contact the QualityNet Help Desk. NOTE: The receipt of both emails only indicates the file(s) were received and processed by the CMS data receiving system. Accepted file(s) do not indicate the intent of the measure has been met. Review the status (accepted or rejected) of test file(s) submissions by generating the EHR Hospital Reports via the <i>QualityNet Secure Portal</i>. Refer to the CY 2019 EHR Reports Overview for help with interpreting report outcomes. NOTE: The CMS data receiving system will continue to accept test file(s) through March 2, 2020*; however, test file(s) submitted to the test system will not be reviewed or evaluated toward program credit. 	<input type="checkbox"/>

*Deadline extended due to original deadline falling on a weekend and/or holiday.

NOTE: Submission of eCQMs does **not** meet the complete program requirements for the Hospital Inpatient Quality Reporting (IQR) Program. Hospitals are responsible for data submission for all required chart-abstracted, web-based, and claims-based measures. For questions regarding the *Hospital IQR Program*, please contact the Hospital IQR Program Support Contractor at (844) 472-4477 or <https://cms-ip.custhelp.com>. For questions regarding the complete program requirements for the *Promoting Interoperability Program (previously known as the Medicare EHR Incentive Program)*, please contact the *QualityNet* Help Desk at (866) 288-8912.
