*Important note about *QualityNet* SAs: Every facility participating in the Hospital IQR Program and/or IPFQR Program must designate a minimum of one SA. To prevent possible interruption of *QualityNet* access, facilities are highly encouraged to appoint at least two SAs. If your facility does not have an SA, it may be at risk of incurring a reduction to its annual payment update (APU). For more information about how to designate an SA, please refer to the [QualityNet Security Administrator Registration page](#). **Please Note: Submitting SA contact information on this form WILL NOT update or change your SA information in *QualityNet*.**
