The Centers for Medicare & Medicaid Services (CMS) would like to announce that the Facility, State, and National Report for the Inpatient Psychiatric Facility Quality Reporting (IPFQR) Program is now available for download in CSV format via the HQR System.

To access the report please log into the [HQR System](#) and select **Program Reporting** from the left-side navigation menu followed by the **Performance Reports** option. Under the Program dropdown select **IPFQR** as well as the appropriate Fiscal Year. If you have access to more than one Provider, you may select one or more Providers. Once all selections have been made click the **Export CSV** to download.

As we continue to enhance the HQR system, we will keep you informed about the changes. We appreciate your patience as we work to modernize HQR.
