Subject: IPFQR Program Outreach and Education Webinar: IPFQR Program: Patient-Level Reporting

Participants in the Inpatient Psychiatric Facility Quality Reporting (IPFQR) Program now have access to a new On Demand webinar: *IPFQR Program: Patient-Level Reporting*. The webinar can be viewed from the Quality Reporting Center website (www.QualityReportingCenter.com) in the [Events On Demand](#) tab. The webinar will also be available on the [IPFQR Program 2022 Webinars & Calls](#) web page on QualityNet.

The *IPFQR Program: Patient-Level Reporting* webinar provides inpatient psychiatric facilities (IPFs) and their vendors with information to submit voluntary patient-level data and guidance for verifying data accuracy. For the July 1, 2022–August 15, 2022, data submission period, IPFs are encouraged to voluntarily submit patient-level data in addition to submitting all aggregate measure and non-measure data in the *Hospital Quality Reporting (HQR) Secure Portal*. This webinar will be presented by **Evette Robinson, MPH, CPHQ**, IPFQR Program Lead at the Inpatient Value, Incentives, and Quality Reporting (VIQR) Outreach and Education Support Contractor, and **Judy Wade, BA**, Project Coordinator with the Inpatient VIQR Outreach and Education Support Contractor.
