Subject: Inpatient Warehouse release for Spec. Manual v5.12

We are pleased to announce a new Hospital Quality Reporting (HQR) system release. This release includes modifications to Hospital Inpatient Quality Reporting (IQR) which are detailed below. It is now available on <https://www.qualitynet.org>.

The HQR Release will consist of all applications, processes, and reports necessary to support the IQR updates impacting the v5.12 Specifications Manual for National Hospital Inpatient Quality Measures, effective for discharges in Q3 2022 and Q4 2022 (07/01/2022 through 12/31/2022).

If you have any questions, please notify your internal point of contact. If additional information or assistance is needed, you may also contact the QualityNet Service Center between 8 am and 8 pm ET, Monday – Friday (email [qnetssupport@hcqis.org](mailto:qnetssupport@hcqis.org) , phone (866) 288-8912, teletype access TTY (877) 715-6222).
