Subject: Upcoming Hospital Quality Reporting Program Webinar: SEP-1 and the 2021 Sepsis Guideline Update: New Evidence, New Recommendations

This **Outreach and Education** webinar for participants in the Hospital Quality Reporting Programs is scheduled for Wednesday, November 16, 2022.

SEP-1 and the 2021 Sepsis Guideline Update: New Evidence, New Recommendations will be presented by **Bobby Redwood, MD, MPH, FACEP**, Physician Improvement Advisor, Wisconsin Hospital Association, and **Bob Dickerson, RRT, MSHSA**, Senior Clinical Program Analyst, Behavioral Development and Inpatient and Outpatient Measure Maintenance Support Contractor.

The event will provide high-level updates in the Sepsis 2021 Guidelines; highlight how these updates may affect clinical care of the septic patient; and how these updates may affect hospital-level protocols and procedures relating to the SEP-1 core measure.

The webinar slides will be available for download from www.QualityReportingCenter.com under Upcoming Events the day before the presentation.

The webinar will be presented on November 16, 2022, from 2:30 p.m. to 4 p.m. Eastern Time (ET). This presentation has been approved for 1.5 continuing education (CE) credits.

You may register for the webinar at the following link:
