Subject: FY 2022 Results for Two Value-Based Purchasing Programs Now on Provider Data Catalog

The Centers for Medicare & Medicaid Services (CMS) has updated the Provider Data Catalog to include fiscal year (FY) 2022 results for the Hospital-Acquired Condition (HAC) Reduction Program and the Hospital Readmissions Reduction Program (HRRP). Data for both programs may be accessed by selecting the Hospitals topic and then using keyword searches for the programs.

Educational Webinar
On **Thursday, February 10, 2022, at 2 p.m. Eastern Time**, the *Hospital VBP Program, HAC Reduction Program, and HRRP FY 2022 Provider Data Catalog Refresh* webinar will provide an overview of the publicly reported data for CMS inpatient hospital value-based purchasing programs, including the Hospital Value-Based Purchasing (VBP) Program, the HAC Reduction Program, and HRRP.

The speakers are Maria Gugliuzza, MBA, Program Lead, Hospital VBP Program, Inpatient Value, Incentives, and Quality Reporting (VIQR) Outreach and Education Support Contractor; Amy Gehrke, MS, Program Lead, HAC Reduction Program, Division of Value, Incentives, and Quality Reporting Program Support (DPS) Contractor; and Kristanna Peris, MPH Program Lead, HRRP, DPS Contractor.

You may register for the webinar at:
https://globalmeetwebinar.webcasts.com/starthere.jsp?ei=1523940&tp_key=a083c9e0d5
The presentation slides, recording, transcript, participant questions, and answers from subject-matter experts will be available after the presentation on the VBP Archived Events page of QualityReportingCenter.com.
