Subject Register today! CMS April Public Webinars on Rural Health Quality

The Centers for Medicare & Medicaid Services (CMS) is pleased to invite the public to attend the upcoming webinar: “**Rural Health Quality: How CMS Initiatives Improve How We Measure and Address Gaps in Care.**” This presentation will highlight the unique challenges surrounding quality measurement in rural settings, and how CMS is working to address these issues to ensure equitable care is provided to all Americans regardless of where they reside. CMS will host this presentation twice. Register for the session that works best for you!

- Wednesday, April 20, 2022, from 3 – 4:00 p.m. (ET) ([Register here](#))
- Thursday, April 21, 2022, from 12 – 1:00 p.m. (ET) ([Register here](#))

Please register in advance if you can attend, as space will be limited. We request that you please only register for an event if you plan to attend. We hope you can join us and look forward to your participation! If you have questions on how measurement can support rural health quality that you would like addressed during the presentation, please contact MMSSupport@battelle.org.
