Subject: **2022 Q1 Provider Participation Report (PPR) & Facility State & National Report (FSN) Now Available via the HQR System**

The Centers for Medicare & Medicaid Services (CMS) previously announced that the 2022 Q1 Provider Participation Report (PPR) and Facility State & National Report (FSN) would not be available within the HQR System as expected on January 1, 2022. We would like to announce that these reports are now available and can be accessed by logging into the [HQR System](#).

As we continue to enhance the HQR system, we will keep you informed about the changes. We appreciate your patience as we work to modernize HQR.
