Subject: Upcoming Hospital Quality Reporting Program Webinar: Severe Sepsis and Septic Shock: Management Bundle (Composite Measure) v5.12 Measure Updates

This Outreach and Education webinar for participants in the Hospital Quality Reporting Programs is scheduled for Monday, June 27, 2022.

The *Severe Sepsis and Septic Shock: Management Bundle (Composite Measure) v5.12 Measure Updates* webinar will be presented by **Noel Albritton, MSN, RN**, Lead Solutions Specialist, and **Jennifer Witt, RN**, Senior Health Informatics Solutions Coordinator, with the Behavioral Development and Inpatient and Outpatient Measure Maintenance Support Contractor.

This webinar will clarify the changes and rationale behind the updates to the SEP-1 measure and guidance in v5.12 of the specification manual and will respond to frequently asked questions.

The webinar slides will be available for download from [www.QualityReportingCenter.com](http://www.QualityReportingCenter.com) under Upcoming Events the day before the presentation.

The webinar will be presented on June 27, 2022, from 2:00 p.m. to 3:30 p.m. Eastern Time (ET). This presentation has been approved for 1.5 continuing education (CE) credit.

You may register for the webinar at the following link:
