Subject: **Update to Hospital Quality Reporting (HQR) Known Issues Document**

The Centers for Medicare & Medicaid Services (CMS) would like to announce that updates have been made to the Hospital Quality Reporting (HQR) System Known Issues document. A summary of the issues and resolutions for all programs within the HQR system can be accessed via the Known Issues & Maintenance tab on QualityNet.

As we continue to roll out new features, we will keep you informed about the changes. We appreciate your patience as we work to modernize HQR.
