Subject: Reminder: July 2022 Public Reporting Preview Data Available

Now through June 15, 2022, you can preview data from your hospital that will be publicly reported in July 2022. The preview data are available through the **Preview User Interface (UI)** on the Hospital Quality Reporting (HQR) page on [QualityNet](#). The data will be publicly reported on the [Care Compare website](#) in July 2022.

You are encouraged to access the data early in the preview period to conduct a thorough review. Access your Public Reporting preview data by following these steps:

1. Navigate to the HQR page on QualityNet at <https://hqr.cms.gov/hqrng/login>.
2. Enter your HARP User ID and Password. Then, select **Login**.
3. You will see the **Two-Factor Authorization page**. Select **Text** or **Email**. Select **Continue** to proceed.
4. Once you receive the code via **Text** or **Email**, enter it. Select **Continue** to proceed.
5. Read the Terms and Conditions statement. Select **Accept** to proceed. You will see the **Landing** page. Note: If **Cancel** is selected, the program closes.
6. On the **Landing** page, hover over the Lock Menu on the left side.
7. Select **Program Reporting**.
8. From the drop-down menu, select **Public Reporting**.
9. The page will refresh, and the data will be available to preview.

To export the data displayed on the UI, select **Export Data** in the measure table. The exported measure data will be in PDF format for a user-friendly printed report.

Your program quick reference guide and help guide can be found at <https://qualitynet.cms.gov/> (under your program and the **Public Reporting Resources** link) and at www.QualityReportingCenter.com (in the **Resources and Tools** section under your program).
