Please ensure that your data for the submission period are entered into the NHSN system prior to the submission deadline of 11:59 p.m. PT on **Monday, August 15, 2022**. Participants should run their facility’s **NHSN – Analysis – CMS Reports** before and after submission to confirm the completeness and accuracy of data. At this time, these steps are required while the new HQR performance reports are under development. Instructions to generate the NHSN – Analysis – CMS Reports can be found here: <https://www.cdc.gov/nhsn/cms/pps.html>

Extraordinary Circumstances Exceptions (ECE)

In the event your hospital is unable to submit data or meet requirements due to an extraordinary circumstance, you may request an individual exception. For events impacting your submission of data, the ECE must be submitted within 90 calendar days from when you determined that the extraordinary event occurred. The event may occur during the measurement period through the submission or reporting deadline. Please refer to the PCHQR Program [ECE policy page](#) on QualityNet for further information.
