Subject: Claims-Based Measure Reports Are Moving!

An announcement from the Centers for Medicare & Medicaid Services (CMS):

Claims-Based Measures (CBM) are moving from the Managed File Transfer (MFT) system to the Hospital Quality Reporting (HQR) System.

You'll soon be able to download CBM reports from the Claims-Based Measures page of HQR.

Starting November 8, 2022, CBM reports will only be available via MFT by request.

We're working on a tutorial video that will show how to access the page in HQR and download the reports.
