Subject: Reminder: October 2023 Public Reporting Preview Data Available

Now, through August 25, 2023, on the Hospital Quality Reporting (HQR) page on QualityNet (<https://hqr.cms.gov/hqrng/login>), you can preview your hospital's quality data that will publicly appear on the [Care Compare website](#) in the October 2023 release. We encourage you to look at your information early in this preview period to conduct a thorough review.

How do I find my hospital's preview data?

Access your Public Reporting preview data by following these steps:

1. Navigate to the HQR page: <https://hqr.cms.gov/hqrng/login>
2. Enter your Health Care Quality Information Systems Access Roles and Profile (HARP) User ID and Password. By logging in, you agree to the terms and conditions. Select **Log In**.
3. The **Two-Factor Authorization page** will appear. Select **Text** or **Email**. Select **Next**.
4. Enter the code you received. Then, select **Next**.
5. On the **HQR landing** page, hover over Lock Menu on the left side.
6. Select **Program Reporting**.
7. From the drop-down menu, select **Public Reporting**.
8. The page will refresh, and the data will be available to preview.

To export the data displayed on the user interface, select **Export Data** in the measure table. The exported measure data will be in PDF format for a user-friendly printed report.
