Subject: **NOTICE: FY 2025 Voluntary Reporting 1 Preop THA/TKA PRO-PM Data Submission Deadline is October 2, 2023**

The purpose of this email is to notify hospitals participating in the Centers for Medicare & Medicaid Services (CMS) Inpatient Quality Reporting (IQR) Program that the data submission deadline for the fiscal year (FY) 2025 voluntary reporting of the **preoperative** Hospital-level Total Hip Arthroplasty/Total Knee Arthroplasty (THA/TKA) Patient-Reported Outcome-Based Performance Measure (PRO-PM) is **October 2, 2023**, at 11:59 p.m. Pacific Time.

If voluntarily reporting the data, hospitals will need to upload the data via the [Hospital Quality Reporting Secure Portal](#), by either a XML or CSV file or by using the Inpatient Web-Based Data Collection Tool, by October 2, 2023, at 11:59 p.m. Pacific Time.

IMPORTANT NOTE: Hospitals can update and correct their submitted clinical data until the IQR submission deadline. After the deadline, the Hospital Quality Reporting (HQR) Secure Portal will be locked, and no further data can be submitted.

HOSPITAL CONTACT INFORMATION: To ensure your hospital receives critical communications about meeting the requirements of the IQR Program (and other CMS quality reporting programs), including submission-deadline reminders and program updates, it is important that we have the complete contact information for the key roles at your hospital. Updates to your contact information can be submitted, if needed, using the [Hospital Contact Change Form](#).
