Subject: **CBM 2019 & 2020 Reports Now Available in HQR System**

An announcement from the Centers for Medicare & Medicaid Services (CMS):

Claims-based Measures (CBM) reports that were previously only distributed via Managed File Transfer (MFT) during calendar years 2019 and 2020 are now available for download directly within the Hospital Quality Reporting (HQR) System.

Currently, these reports are only available in an Excel version.

You can download your reports by logging into the [HQR System](#) and navigating to Claims-based Measures under *Program Reporting*. Select the appropriate Release year, Program, and Report, then select Export.

As we continue to enhance the HQR system, we'll keep you informed about any changes.
