**Subject:** Reminder: October 2024 Public Reporting Preview Data Available

Through August 29, 2024, on the Hospital Quality Reporting (HQR) page (<https://hqr.cms.gov/hqrng/login>), you can preview your hospital's quality data that will publicly appear on the October 2024 release on the [Care Compare on Medicare.gov](https://www.cms.gov/medicare/quality/care-compare). We encourage you to look at your information early in this preview period to conduct a thorough review.

### **How do I find my hospital's preview data?**

Access your Public Reporting preview data by following these steps:

1. Navigate to the HQR system page: <https://hqr.cms.gov/hqrng/login>
2. Enter your Health Care Quality Information Systems Access Roles and Profile User ID and Password. By logging in, you agree to the terms and conditions. Select **Log In**.
3. The **Two-Factor Authorization** page will appear. Select **Text** or **Email**. Select **Next**.
4. Enter the code you received. Then, select **Next**.
5. On the **HQR landing** page, hover over Lock Menu on the left side.
6. Select **Program Reporting**.
7. From the drop-down menu, select **Public Reporting**.
8. The page will refresh, and the data will be available to preview.

To export the data displayed on the user interface, select **Export Data** in the measure table. The exported measure data will be in PDF format for a user-friendly printed report.
