Announcement from the Centers for Medicare & Medicaid Services (CMS):

You can now access your Promoting Interoperability information on the Submission Requirements interface via the Hospital Quality Reporting (HQR) System.

Here's what's new:

- View your Promoting Interoperability form responses and your facility's accompanying score, all in their own report interface
- Export the report as a PDF or CSV

Questions? [Watch a short video](#) about the Submissions Requirements page.

As the HQR System continues to improve, any changes will be communicated.
