**June 8, 2026**

---

### **Issue under investigation: July 2026 Public Reporting results**

The following issue has been reported and is currently being investigated.

**Issue Reported:**

We are aware that some users are experiencing issues with their July 2026 Public Reporting data, specifically as it relates to the EDAC measure.

This issue has been identified and is in the process of being fixed. Users will be informed when it is resolved.

We apologize for the disruption of service and are working quickly to resolve the issue.

This email was sent from an unmonitored email address. Replies will not be read.
