Quality Reporting Center's Biweekly News Blast

www.qualityreportingcenter.com

I know what you're thinking. "Do I enter four measures or only three by May 15?" Well, in all this excitement, it's easy to lose track. But if you haven't entered your web-based measures yet, you have to ask yourself one question, "Do I feel lucky?"

Most ASCs aren't relying on luck; they've already submitted ASC-8 to the National Healthcare Safety Network and ASC-9 and -10* to QualityNet! Congratulations!

But some of you are still working on your submissions. We understand, but encourage you to finish those as soon as possible to make sure you don't encounter any technical issues that keep you from fulfilling your ASC Quality Reporting Program requirements. Failing to submit these data on time puts your facility at risk of a **2% reduction in your Medicare payment update**.

The web-based data submission deadline is **May 15, 2018 by 11:59 p.m. PT**. Once the deadline passes, the submission tools close, and procrastinators are out of luck.

Let us help. We can share your screen (make an [appointment](#)) or answer your questions by phone (866.800.8756).

You have only **six** business days to get your data in - don't roll the dice!

*ASC-11 is voluntary.
