Providers submitting data (or using a vendor to submit data on their behalf) and accessing secured reports via the QualityNet Secure Portal are **required** to designate a Security Administrator.
- **Basic User**
All other registered QualityNet users in an organization are considered basic users.

Data submission vendors
Joint Commission-certified Performance Measurement Systems or other third-party data submission vendors wishing to transmit data via the QualityNet Secure Portal must also register for a QualityNet account. Contact the QualityNet Help Desk to obtain a Vendor ID and initiate the registration process.

Healthcare systems
If you represent a healthcare system (comprising multiple providers), contact the [QualityNet Help Desk](#) to initiate registration for a QualityNet account.
