

Welcome!

- Presentation slides can be downloaded from www.qualityreportingcenter.com under Upcoming Events on the right-hand side of the page.
- Audio for this event is available via ReadyTalk® Internet streaming. No telephone line is required.
- Computer speakers or headphones are necessary to listen to streaming audio.
- Limited dial-in lines are available. Please send a chat message if a dial-in line is needed.
- This event is being recorded.

Troubleshooting Audio

Audio from computer speakers breaking up?
Audio suddenly stops?

- Click **Refresh** icon
or
- Click F5

F5 Key
Top row of keyboard

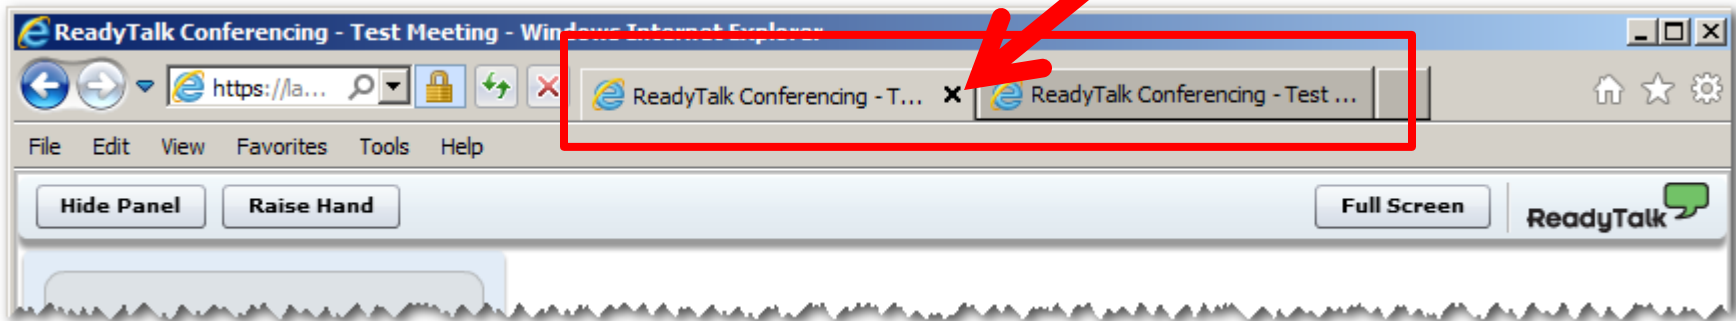

Location of buttons

Refresh

Troubleshooting Echo

- Hear a bad echo on the call?
- Echo is caused by multiple browsers/tabs open to a single event (multiple audio feeds).
- Close all but one browser/tab, and the echo will clear up.

Example of two browsers/tabs open in same event

Submitting Questions

Type questions in the “Chat with Presenter” section located on the bottom-left corner of your screen.

A screenshot of a web browser window showing a CMS event chat interface. The window title bar includes "Hide Chat", "Toggle View", "Full Screen", and "ReadyToGo". The main content area features the CMS logo (CENTERS FOR MEDICARE & MEDICAID SERVICES) and the text "Welcome to Today's Event". Below this, a message reads "Thank you for joining us today! Our event will start shortly." On the left side, there is a vertical chat window titled "Chat with Presenter" with a text input field labeled "Type questions here." and a "Send" button. A yellow arrow from the text on the left points to this input field.

Tools to Help You Build a Successful Reporting Program

**Karen VanBourgondien, BSN, RN
Education Coordinator, Ambulatory Surgical
Center Quality Reporting (ASCQR) Program
Support Contractor**

April 26, 2017

Save the Date

- Upcoming Ambulatory Surgical Center Quality Reporting (ASCQR) Program educational webinars:
 - June 26: Frequently Asked Questions
 - July: Proposed Rule
- Notifications of additional educational webinars will be sent via ListServe

Learning Objectives

At the conclusion of this program, attendees will be able to:

- ✓ List tools available on the *QualityNet* website.
- ✓ Identify common problems in reporting data via the National Healthcare Safety Network (NHSN) and ways to circumvent them.
- ✓ Locate and use the tools located on the *Quality Reporting Center* website.
- ✓ Describe the benefits of reporting quality data.

Program Requirements

Building Success from the Ground Up

What to Report

Data are submitted via:

- Placing Quality Data Codes (QDCs) on claims submitted for payment
- Answering measure questions using the *QualityNet* web-based tool
- Entering influenza vaccination data using the NHSN web-based tool

www.qualitynet.org

Paving the Road to Successful Reporting

ListServe

The Support Contactor sends ListServe notifications to advise facilities of:

- Program updates
- Submission deadlines
- Proposed and Final Rule releases
- Educational opportunities

How Do I Join?

The screenshot shows the QualityNet website interface. At the top, there is a navigation bar with the QualityNet logo, a login link for the QualityNet Secure Portal (formerly MyQualityNet), and a search box. Below this is a secondary navigation bar with tabs for Home, My QualityNet, and Help. A main navigation menu lists various facility types: Hospitals - Inpatient, Hospitals - Outpatient, Physician Offices, Ambulatory Surgical Centers, PPS-Exempt Cancer Hospitals, ESRD Facilities, Inpatient Psychiatric Facilities, and Quality Improvement. The main content area is divided into several sections: QualityNet Registration (listing various facility types), Getting Started with QualityNet (listing registration steps), Join ListServes (highlighted with a red box), Known Issues - Hospital Reporting, QualityNet News (with a 'More News >' link), About QualityNet, Log in to QualityNet Secure Portal (with a login link), Questions & Answers, Downloads, and Training.

CMS releases April 2017 Hospital Compare preview reports
The Centers for Medicare & Medicaid Services (CMS) has released the April 2017 Hospital Compare preview reports available on QualityNet for participating Inpatient Quality Reporting (IQR), Outpatient Quality Reporting (OQR), and PPS-Exempt Cancer Hospital Quality Reporting (PCHQR) hospitals and facilities.

The Hospital Compare preview reports will be available from **January 9 through February 7**. Hospitals are encouraged to access and download reports early in the preview period in order to have time for a thorough review. The preview reports are only available during the preview period.

About QualityNet

Established by the Centers for Medicare & Medicaid Services (CMS), QualityNet provides healthcare quality improvement news, resources and data reporting tools and applications used by healthcare providers and others.

QualityNet is the only CMS-approved website for secure communications and healthcare quality data exchange between: quality improvement organizations (QIOs), hospitals, physician offices, nursing homes, end stage renal disease (ESRD) networks and facilities, and data vendors.

Question & Answer Tool

The screenshot displays the QualityNet website interface. At the top, there is a navigation bar with the QualityNet logo, a login link for the 'QualityNet Secure Portal (formerly MyQualityNet)', and a search box. Below this is a secondary navigation bar with tabs for 'Home', 'My QualityNet', and 'Help'. A main navigation menu lists various facility types: 'Hospitals - Inpatient', 'Hospitals - Outpatient', 'Physician Offices', 'Ambulatory Surgical Centers', 'PPS-Exempt Cancer Hospitals', 'ESRD Facilities', 'Inpatient Psychiatric Facilities', and 'Quality Improvement'. The main content area is divided into several sections: 'QualityNet News' featuring a headline about CMS releasing April 2017 Hospital Compare preview reports; 'Getting Started with QualityNet' with links for registration and sign-in; 'Join ListServes' for notifications; 'Known Issues - Hospital Reporting'; 'About QualityNet' providing background information; 'Log in to QualityNet Secure Portal' with a login field and download links for Symantec ID and portal resources; 'Questions & Answers' with a list of topics including 'Ambulatory Surgical Centers' (highlighted with a red box); 'Downloads' for CART modules; and 'Training' resources.

Choosing Your Option

The screenshot displays the QualityNet website interface. At the top left is the QualityNet logo. A navigation bar contains a 'Home' button and three buttons: 'Find an Answer', 'Ask a Question', and 'My Stuff', all of which are highlighted with a red rectangular box. In the top right corner, there are 'Log In' and 'Sign Up' links, with 'Sign Up' circled in red. Below the navigation bar is a header section titled 'Outpatient and ASC Questions and Answers'. The main content area features a heading 'Select a Hospital Outpatient Quality Reporting Program below' and a list of four options: 'Ambulatory Surgical Center Quality Reporting', 'Hospital Outpatient Quality Reporting', 'Public Reporting (Hospital Compare)', and 'Validation'. The 'Ambulatory Surgical Center Quality Reporting' option is highlighted with a red rectangular box. To the right of the main content is a 'Contact Us' sidebar containing two sections: 'Ask a Question' with a question mark icon and the text 'Submit a question to our support team.', and 'Give Feedback' with a clipboard icon and the text 'How can we make this site more useful for you?'.

Training Video

The screenshot shows the QualityNet website interface. At the top, there is a logo for QualityNet and a login section for the "QualityNet Secure Portal (formerly MyQualityNet)". Below the logo is a navigation bar with tabs for "Home", "My QualityNet", and "Help". A secondary navigation bar contains dropdown menus for various facility types: "Hospitals - Inpatient", "Hospitals - Outpatient", "Physician Offices", "Ambulatory Surgical Centers", "PPS-Exempt Cancer Hospitals", "ESRD Facilities", "Inpatient Psychiatric Facilities", and "Quality Improvement".

The "Ambulatory Surgical Centers" dropdown menu is open, showing a list of items: "Ambulatory Surgical Center (ASC) Program", "Outpatient and Ambulatory Surgery Consumer Assessment of Healthcare Providers and Systems (OAS CAHPS)", "E-mail Notifications", "Specifications Manuals", "Measures", "Resources", "Support Contact", "Data Submission", "Registration", and "Webinars". The "Training" item is highlighted with a red box.

On the left side of the page, there are several informational boxes: "QualityNet Registration" (listing hospitals, physician offices, ASCs, cancer hospitals, ESRD facilities, inpatient psychiatric facilities, and QIOs), "Getting Started with QualityNet" (listing registration, sign-in instructions, security statement, password rules, and system security policy), "Join ListServes" (signing up for notifications), and "Known Issues - Hospital Reporting" (listing EHR incentive program, value-based purchasing, outpatient, ASCs, and PPS-Exempt Cancer Hospitals).

On the right side, there is a "Log in to QualityNet Secure Portal" section with a login field and a "Portal Resources" list. Below that is a "Questions & Answers" section with a list of topics and a "Note" about first-time registration. At the bottom right is a "Downloads" section listing CART - Inpatient, CART - Outpatient, and CART Module Designer. At the very bottom right is a "Training" section listing QualityNet Training, QualityNet Event Center, and Secure Portal Enrollment Training, WMV.

The main content area features a "QualityNet News" section with a "CMS issues technical update regarding select Hospital VBP Program measure" article. The article text includes: "The Centers for Medicare & Medicaid Services (CMS) has issued a technical update regarding the following measures and standards regarding select Hospital VBP Program: (1) Patient Safety Indicator (PSI)-90 for FY 2019 of Central Line-Associated Blood Stream Infection (CLABSI), Clostridium difficile Infection (CDI), and Surgical Site Infection (SSI) for FY 2019; (2) Mortality Rate (RSMR) Following Pneumonia Pneumonia (PNP) for FY 2019; and (3) Hospital 30-Day Hospitalization (H30D) for FY 2019." A "Full Article >" link is provided.

Below the article is a "Headlines" section with several news items, including "CMS extends...", "CMS releases April 2017 Hospital Compare preview reports", "Hospital Compare updated with FY 2017 measure results for three value-based purchasing programs", "Hospitals randomly selected for FY 2019 inpatient data validation", "CMS issues blanket exemption for providers adversely affected by Hurricane Matthew", "CY 2017 OPPI/ASC final rule with comment period published", and "CMS announces update on SEP-1 validation, public reporting for Hospital Inpatient Quality Reporting".

At the bottom of the page is an "About QualityNet" section stating: "Established by the Centers for Medicare & Medicaid Services (CMS), QualityNet provides healthcare quality improvement news, resources and data reporting tools and applications used by healthcare providers and others."

Viewing the Video

The screenshot shows the QualityNet website interface. At the top left is the QualityNet logo. To its right is a login link: "Log in to QualityNet Secure Portal (formerly MyQualityNet)" with a "Log In" button. Further right is a search bar with a "Search" button. Below this is a navigation bar with "Home" and "My QualityNet" buttons, and a "Help" link on the far right. A secondary navigation bar contains dropdown menus for "Hospitals - Inpatient", "Hospitals - Outpatient", "Physician Offices", "Ambulatory Surgical Centers", "PPS-Exempt Cancer Hospitals", "ESRD Facilities", "Inpatient Psychiatric Facilities", and "Quality Improvement".

On the main content area, there is a "Training" link on the left. A yellow box contains a maintenance notice: "Maintenance downtime scheduled for Feb. 16" followed by text stating the portal will be unavailable from 8 p.m. ET through midnight on Thursday, February 16. To the right of this notice is a blue box titled "About Ambulatory Surgical Centers" with a link to "Questions/Answers".

Below the maintenance notice is a section titled "Ambulatory Surgical Center Training". It contains text explaining that users can learn more about the portal's features and functions, particularly for the ASCQR Program, by choosing from recorded training sessions. A red box highlights a specific session: "• [Ambulatory Surgical Center \(ASC\) Web-Based Measures, 13 min. \(07/18/16\)](#)".

At the bottom of the page is a footer with links for "QualityNet Help Desk", "Accessibility Statements", "Privacy Policy", and "Terms of Use".

QualityNet Reports

Three reports are available on the *QualityNet* website:

- Claims Detail Report
- Participation Report
- Vendor Authorization Report

Running Reports

The screenshot shows the CMS QualityNet portal interface. At the top, there are navigation links for Alerts (0), Notifications (30), Secure File Transfer, User Profile, and Log Out. The user is identified as Laurie Ciannamea, IFMC - SDPS. The main navigation bar includes Home, Quality Programs, My Reports, and Help. The 'My Reports' dropdown menu is open, with 'Run Reports' highlighted in a red box. Below the navigation bar, there is a 'Welcome' message and a section titled 'QualityNet Secure Portal' which provides information about the portal's purpose and users. A box below this section contains instructions on how to request access to reports. Further down, there is a 'Quality Programs' section with a list of programs including Hospital Quality Reporting, Physician Quality Reporting System, End Stage Renal Disease Quality Incentive Program, Quality Improvement Organizations, and QMARS. On the right side of the page, there are three sections: 'QualityNet News' with a list of recent news items, 'Announcements from QualityNet Team' with a list of maintenance downtime schedules, and 'QualityNet Events' with information about training sessions.

Influenza Vaccination Coverage among Healthcare Personnel

- Submitted via the NHSN website
- Reports the number of facility employees who received flu immunization
- Data Collection period: 10/01/16–3/31/17
- Data Submission period: 10/01/16–5/15/17
- More information: www.cdc.gov/nhsn

Preparing to Report

 NHSN Facility Enrollment & Set-Up Checklist for Ambulatory Surgery Centers		NHSN Helpdesk nhsn@cdc.gov
Complete items in order. This document is only meant for CMS-licensed ASC facilities that have not yet enrolled in NHSN. If you are confident that you are a CMS-licensed ASC and you have questions or concerns regarding your facility's enrollment status, please contact the NHSN Helpdesk: NHSN@cdc.gov .		✓
NHSN Facility Enrollment Step 1: Training and Preparation		
Verify if facility is a CMS-licensed ASC and CMS Certification Number (CCN) by using the facility's National Provider Identifier (NPI) and the CCN look-up tool at: http://www.oqrsupport.com/ASC/CCN . If the facility does not have an NPI, please contact the Outpatient Outreach and Education Team using the number provided on the CCN look-up tool. If the facility does not have an NPI or does not know if the facility participates in the CMS ASCQR Program, please contact the Outpatient Outreach and Education Team via email: oqrsupport@fmqai.com . Additionally, users can ask CMS for assistance through the Question and Answer tool at https://cms-ocsq.custhelp.com , or by calling toll-free, (866) 800-8756 weekdays from 7 a.m. to 6 p.m. ET.		
Complete Healthcare Personnel Safety Component training: http://www.cdc.gov/NHSN/PDFS/TRAINING/HCP-FLU-VACCINATION-SUMMARY-REPORTING-ASC-TRAINING-SLIDES.PDF .		
Step 2: Register with NHSN		
Read and agree to the NHSN Rules of Behavior at http://nhsn.cdc.gov/RegistrationForm/index .		
Register your email address and the facility with NHSN (requires a facility ID, like a CMS Certification number [CCN]).		
Note: If you have confirmed that your facility is a CMS-licensed ASC but does not have a CMS Certification Number (CCN), AHA Number or VA Station Code, or if the number you are using is not validating, please contact nhsn@cdc.gov to receive an NHSN Enrollment Number.		
Immediately after successful registration, receive NHSN e-mail, subject 'Welcome to NHSN!' You will also receive an email providing the details on registering with Secure Access Management Services (SAMS) with the subject 'Invitation to Register' within 1-3 business days.		
Step 3: Register with SAMS (Secure Access Management Services)		Email: samshelp@cdc.gov
From the "Invitation to Register" e-mail, log in to SAMS and complete the online SAMS registration form.		
Within 1-3 business days of successful online registration, receive SAMS "Identity Verification Request" e-mail.		
Tip: When Registering with SAMS, be sure to use full legal name as it appears on your driver's license as well as your home address.		

Adding a New User

1. An official of the ASC sends a letter on facility letterhead to the NHSN, requesting the new user be added. The letter includes the:
 - Facility's name
 - Facility's five-digit NHSN ID number
 - Name and email address of the new user
 - Name and email address of the previous user
2. The letter is faxed to 404.929.0131.
3. The new administrator will receive a "Welcome to NHSN" email to start the onboarding process.

Avoiding the Danger Zone

Common reasons why facilities are unable to complete submission of ASC-8 include:

- Insufficient time to complete the enrollment process
- Staff turnover
- Incorrect or missing CMS Certification Number (CCN)
- Failure to add a reporting plan for the current flu season

For More Information

ASC: Influenza Vaccination Summary for ASCs - 1 C.E.

Date: October 26, 2016

Topic:

This webinar will be presented by NHSN/CDC and will review the process for accessing and entering the NHSN/CDC on-line tool. They will review data entered and the verification process of that data as well as updated tips and tricks to the timely and effective reporting of the ASC-8 measure.

Time:

- 2:00 – 3:00 PM EST

Objectives:

- Provide an overview of the NHSN and the Vaccination Module
- Describe reporting requirements for the Vaccination Module
- Review entering data and data for the Vaccination Module and verification in NHSN

Target Audience:

Individuals within the Ambulatory Surgical Centers setting who report data to the NHSN/CDC and/or the ASC Quality Reporting Program.

Speakers:

Elizabeth Kalayil, MPH

Public Health Analyst, Centers for Disease Control and Prevention

Parneet Ghuman, MPH

Public Health Analyst, Centers for Disease Control and Prevention

Moderator:

Karen VanBourgondien, BSN RN

ASCQR Program

[Home](#) » [ASCQR Program](#)

Welcome to the Centers for Medicare & Medicaid Services (CMS) Ambulatory Surgical Center Quality Reporting (ASCQR) Program. The ASCQR Program exists to promote higher quality, more efficient health care for Medicare beneficiaries through measurement. Under this program, quality data reporting requirements for care rendered in the ASC setting were implemented starting with claims submitted for services beginning October 1, 2012.

If you are new to the program or would like to learn more, please take a moment to review our website.

- **For more information about the ASCQR Program**, visit the [ASC Program Information page](#).
- **For videos and resources on reporting and participating in the ASC Program**, visit the [ASC 101 page](#).
- **For specific measure reporting guidelines and tools**, visit the [ASC Tools and Resources page](#).

As the national support contractor for the ASCQR Program, the team at HSAG is available to answer questions or supply any additional information you may need. We invite you to join the Ambulatory Surgical Center ListServe at qualitynet.org to receive

ASC-9	Endoscopy/Polyp Surveillance: Appropriate Follow-Up Interval for Normal Colonoscopy in Average Risk Patients	January 1, 2016– December 31, 2016	January 1, 2017– August 15, 2017
ASC-10	Endoscopy/Polyp Surveillance: Colonoscopy Interval for Patients with a History of Adenomatous Polyps – Avoidance of Inappropriate Use	January 1, 2016– December 31, 2016	January 1, 2017– August 15, 2017
ASC-11	Cataracts: Improvement in Patient’s Visual Function within 90 Days Following Cataract Surgery (Voluntary)††	January 1, 2016– December 31, 2016	January 1, 2017– August 15, 2017

Fact Sheet for Remittance Advice

Ambulatory Surgical Center Quality Reporting (ASCQR) Program

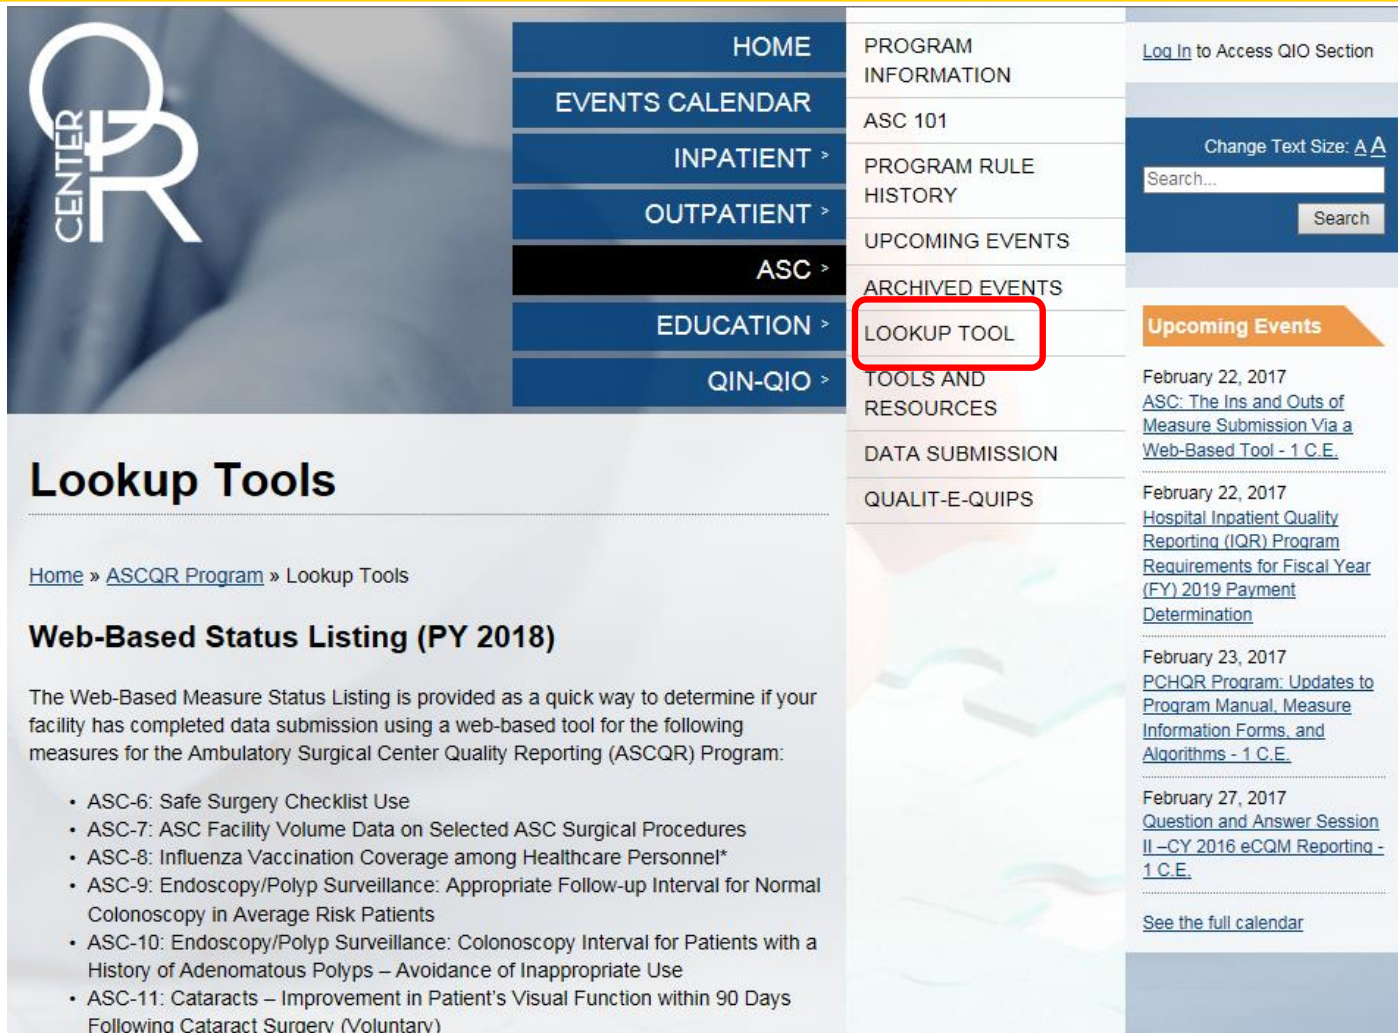

Fact Sheet for Remittance Advice: Tips for Accurate Reporting

- A correct Remittance Advice (RA) reflects a billed charge and a minimum of two Quality Data Codes (QDCs), also known as G-codes, or a maximum of five G-codes for the same claim number.
- The QDCs, or G-codes, will split into a separate claim when one of the G-codes is entered on the 7th or 14th line on the CMS Form-1500 or its electronic equivalent.
- A billed charge must be affiliated with the correct number of G-codes on each claim in order to receive credit for the claims-based measure submission requirement of the ASCQR Program.

If the RA shows only the billed charge and no G-codes:

1. Check to ensure that the billable charge and the G-codes were billed on the same claim form for the same date of service at the same time.
2. Check to ensure your software is transmitting the G-codes with a zero charge amount. Some software programs require at least a one cent charge for transmission.
 - If you used a zero charge, the remark code on the RA will display as N620.
 - If you used a one cent charge, the remark code on the RA will display as N572.
3. Check with your clearinghouse to ensure it is receiving the G-codes and that it is transmitting the G-codes to the Medicare Administrative Contractor (MAC) for CMS (Centers for Medicare & Medicaid Services).

Lookup Tools

The screenshot shows the CRQ website's navigation menu and content area. The navigation menu on the left includes: HOME, EVENTS CALENDAR, INPATIENT >, OUTPATIENT >, ASC >, EDUCATION >, and QIN-QIO >. The 'LOOKUP TOOL' link in the 'ARCHIVED EVENTS' section is highlighted with a red box. The main content area features a 'Lookup Tools' heading, a breadcrumb trail 'Home » ASCQR Program » Lookup Tools', and a section titled 'Web-Based Status Listing (PY 2018)'. This section provides a quick way to determine if a facility has completed data submission for various measures. A list of measures is provided, including ASC-6 through ASC-11. The right sidebar contains a search bar, a 'Change Text Size' option, and an 'Upcoming Events' section with several event listings.

Web-Based Status Listing (PY 2018)

The Web-Based Measure Status Listing is provided as a quick way to determine if your facility has completed data submission using a web-based tool for the following measures for the Ambulatory Surgical Center Quality Reporting (ASCQR) Program:

- ASC-6: Safe Surgery Checklist Use
- ASC-7: ASC Facility Volume Data on Selected ASC Surgical Procedures
- ASC-8: Influenza Vaccination Coverage among Healthcare Personnel*
- ASC-9: Endoscopy/Polyp Surveillance: Appropriate Follow-up Interval for Normal Colonoscopy in Average Risk Patients
- ASC-10: Endoscopy/Polyp Surveillance: Colonoscopy Interval for Patients with a History of Adenomatous Polyps – Avoidance of Inappropriate Use
- ASC-11: Cataracts – Improvement in Patient's Visual Function within 90 Days Following Cataract Surgery (Voluntary)

Choosing Your Lookup Tool

Visit the Archive pages via the links below to review a previous year's web-based data submission.

- [PY 2017](#)
- [PY 2016](#)

Use the Lookup Tool

Enter your facility's National Provider Identifier (NPI) or CMS Certification Number (CCN) into the field below. Your facility will not be visible in the database if no data have been submitted. NPIs are cross-referenced with the facility CCN to indicate if data were submitted for ASC-8 and will not update after the May 15 deadline.

Note: Data last updated February 16, 2017

NPI: or CCN:

ASC-12 Lookup Tool

Please enter your facility's NPI into the form below.

If you receive the response "Yes," your facility has a Claims Detail Report (CDR) located on the QualityNet Secure Portal. To retrieve the CDR, your facility must have an active Security Administrator.

If you receive the response "No," your facility either does not have a CDR with data to retrieve or your NPI was not found. Please verify that your NPI was entered accurately.

Note: Data last updated February 16, 2017

NPI:

CCN Lookup Tool

Frequently Asked Questions (FAQs)

FREQUENTLY ASKED QUESTIONS ABOUT THE ASCQR PROGRAM

- 1. Where can I find information on how to begin reporting for the ASCQR Program?**
Download the ASCQR Program Guide for New Facilities at qualityreportingcenter.com in the Program Resources section.
- 2. Why do I need a Security Administrator (SA)?**
You need to have an active SA for your facility in order to submit data for web-based measures ASC-6, 7, 9, 10, and 11 for the Ambulatory Surgical Center Quality Reporting (ASCQR) Program (*submission of ASC-11 is voluntary for CY 2016*). An active SA is also required in order to run and view reports for claims-based and web-based measures on the QualityNet Secure Portal.

ASCs should submit documentation for the creation of a QualityNet account at least four to six weeks prior to any quality measure data submission deadline for the ASCQR Program.
- 3. Why do I need to keep my SA account active?**
An active account is required in order to submit and view data via the Health Care Quality Information Systems (HCQIS) QualityNet Secure Portal. The facility's SA must maintain an active status by logging in to QualityNet at least once every 120 days to avoid deactivation of the account. SAs with deactivated accounts should contact the QualityNet Help Desk for assistance.
- 4. Are the SAs required to submit all their facility's claims-based measures for ASC-1 through ASC-5 into their QualityNet Portal account?**
No. You will continue to place the quality data codes (QDCs) on your CMS 1500 forms or

QDC Fact Sheet

QUALITY DATA CODES (QDCs): FACT SHEET

Submitting Quality Data Codes for Quality Reporting:

- QDCs can be CPT[®] Category II or Level II G-codes. The current QDCs for submission of Ambulatory Surgical Center Quality Reporting (ASCQR) Program data are G-codes. QDCs can be submitted either electronically or on Centers for Medicare & Medicaid Services (CMS) Form-1500 version 02/12 paper claim.
- ASCs may be utilizing a UB-04 for commercial payers; however, a CMS Form-1500 version 02/12 paper claim or electronic form must be used for reporting of QDCs for the ASCQR Program.
- Enter QDCs on the CMS Form-1500 version 02/12 in box 24D or corresponding electronic data field.
- All QDCs for an encounter must be reported on the same claim for the same beneficiary for the same date of service (DOS). Should a claim require more than one CMS Form-1500 version 02/12, such as on the seventh or thirteenth line-item, these line-items will automatically go onto another claim. Each claim must contain a billable line-item charge and the appropriate QDC in order to receive appropriate credit for the ASCQR Program requirement.
- QDCs must be submitted with a line-item charge; the submitted field cannot be blank. A charge of “0” (the numeral zero) can be used, or if a billing system cannot accept a zero line-item charge, a nominal charge of one cent can be used to populate this field. The beneficiary will not be responsible for this charge.
- Claims without some dollar charge, i.e., a total charge of zero or one cent, will be rejected by the Medicare Administrative Contractor (MAC).

Ambulatory Surgical Center Quality Reporting Program

Support Contractor

ASCQR ELIGIBLE DENOMINATOR POPULATIONS FOR PAYMENT YEAR 2018

- ASCs are to use the following thresholds when determining denominators for ASC-9, ASC-10, and ASC-11 (Voluntary submission of data for ASC-11 began January 2015):
 - For ASCs with **900 or fewer cases** annually, the denominator will be **63** cases.
 - For ASCs with **901 or more cases** annually, the denominator will be **96** cases.
 - For ASCs collecting data more frequently than annually, collect these data in the following manner:
 - **Monthly** – Divide the annual number (63 or 96, depending on the number of cases) by 12 months.
 - **Quarterly** – Divide the annual number (63 or 96, depending on the number of cases) by 4 quarters.
- When determining the eligible denominator population for **ASC-9: Endoscopy/Polyp Surveillance: Appropriate Follow-Up Interval for Normal Colonoscopy in Average Risk Patients**, run reports based on:
 - Patients aged ≥ 50 and ≤ 75 on the date of the encounter
 - *And*
 - ICD-10-CM diagnosis code: Z12.11
 - *And*
 - CPT or HCPCS: 44388, 45378, G0121
 - *Without*
 - CPT Category I Modifiers: 52, 53, 73, 74

ASC-9 Fact Sheet

Ambulatory Surgical Center Quality Reporting (ASCQR) Program

FACT SHEET FOR ASC-9: ENDOSCOPY/POLYP SURVEILLANCE: APPROPRIATE FOLLOW-UP INTERVAL FOR NORMAL COLONOSCOPY IN AVERAGE RISK PATIENTS

Description: Percentage of patients aged 50 to 75 years of age receiving a screening colonoscopy without biopsy or polypectomy who had a recommended follow-up interval of at least 10 years for repeat colonoscopy documented in their colonoscopy report

Denominator: All patients aged 50 to 75 years of age receiving screening colonoscopy without biopsy or polypectomy

Inclusions: Patients aged ≥ 50 and ≤ 75 on date of encounter

and

ICD-10-CM Diagnosis code: Z12.11

and

CPT or HCPCS: 44388, 45378, G0121

without

CPT Category I Modifiers: 52, 53, 73, 74

without

ICD-10-CM Diagnosis codes: Z83.71, Z86.010, Z80.0, Z85.038

Exclusions: Documentation of medical reason(s) for not recommending at least [a 10 year] follow-up

ASC-10 Fact Sheet

Ambulatory Surgical Center Quality Reporting (ASCQR) Program

FACT SHEET FOR ASC-10:

ENDOSCOPY/POLYP SURVEILLANCE: COLONOSCOPY INTERVAL FOR PATIENTS WITH A HISTORY OF ADENOMATOUS POLYPS—AVOIDANCE OF INAPPROPRIATE USE

Description: Percentage of patients aged 18 years and older receiving a surveillance colonoscopy, with a history of a prior colonic polyp(s) in previous colonoscopy findings who had a follow-up interval of three or more years since their last colonoscopy

Denominator: All patients aged 18 years and older receiving a surveillance colonoscopy

Numerator: Patients who had an interval of three or more years since their last colonoscopy

- **Do** use any medical reason, such as a diagnosis, symptom, or condition that is documented in the medical record, to exclude a case from the denominator population *if the interval is less than three years. Please note that you must have BOTH an interval of less than three years and the medical reason documented in order to use this as exclusion from the denominator.*

Some examples are:

- Moderate risk for colon cancer due to personal or family history of cancer
- “High risk” patients
- Diverticulosis and hemorrhoids
- Poor prep or poor visualization
- Acute symptoms, such as rectal bleeding, abdominal pain, or change in bowel habits

Please remember that there is no comprehensive list of medical reasons.

Biweekly Newsletter

The screenshot shows the ASCQIR website interface. On the left is the logo for the Center for Quality Improvement Research (CQIR). A central navigation menu lists: HOME, EVENTS CALENDAR, INPATIENT >, OUTPATIENT >, ASC >, EDUCATION >, and QIN-QIO >. To the right of this menu is a vertical list of links: PROGRAM INFORMATION, ASC 101, PROGRAM RULE HISTORY, UPCOMING EVENTS, ARCHIVED EVENTS, LOOKUP TOOL, TOOLS AND RESOURCES, DATA SUBMISSION, and QUALIT-E-QUIPS (highlighted with a red box). Further right is a search bar with the text 'Change Text Size: A A', a search input field, and a 'Search' button. Below the search bar is an 'Upcoming Events' section with three entries: 1) February 22, 2017: ASC: The Ins and Outs of Measure Submission Via a Web-Based Tool - 1 C.E.; 2) February 22, 2017: Hospital Inpatient Quality Reporting (IQR) Program Requirements for Fiscal Year (FY) 2019 Payment Determination; 3) February 23, 2017: PCHQR Program: Updates to Program Manual, Measure Information Forms, and Algorithms - 1 C.E.; 4) February 27, 2017: Question and Answer Session II - CY 2016 eCQM Reporting - 1 C.E. At the bottom of the search area is a link 'See the full calendar'. The main content area on the left features the title 'Qualit-e-Quips' and a breadcrumb trail: Home » ASCQR Program » Qualit-e-Quips. Below this is a paragraph explaining that Qualit-e-Quips are biweekly newsletters providing in-depth communication on a single topic affecting the ASC community. A section titled '2016 Qualit-e-Quips' contains a list of 16 links, including 'Correction to Quick Facts for ASC-12', 'Quick Facts for ASC-12', 'Hospital Compare', and various submission deadlines and reminders.

Reporting: The Foundation for Quality Improvement

Why Should I Report?

Benefits to your ASC include:

- Identifying quality improvement opportunities
- Gathering data for state licensure and certifications
- Reporting data publicly
 - Promoting the quality services you provide

In Summary

What Have We Covered?

Today we discussed the :

- Components of the ASCQR Program
- Tools and resources available at:
 - www.qualitynet.org
 - www.qualityreportingcenter.com
 - www.cdc.gov/nhsn
- Benefits of reporting quality data

*Building your quality reporting success
from the ground up!*

 - It is your responsibility to submit this form to your accrediting body for credit.

CE Credit Process

- Complete the ReadyTalk® survey that will pop up after the webinar, or wait for the survey that will be sent to all registrants within the next 48 hours.
- After completion of the survey, click “Done” at the bottom of the screen.
- Another page will open that asks you to register in HSAG’s Learning Management Center.
 - This is separate from registering for the webinar. If you have not registered at the Learning Management Center, you will **not** receive your certificate.
 - Please use your **personal** email so you can receive your certificate.
 - Healthcare facilities have firewalls that block our certificates.

CE Certificate Problems?

- If you do not immediately receive a response to the email you used to register in the Learning Management Center, a firewall is blocking the survey link.
- Please go back to the New User link and register your personal email account.
- If you continue to have problems, please contact Deb Price at dprice@hsag.com.

CE Credit Process: Survey

No

Please provide any additional comments

10. What is your overall level of satisfaction with this presentation?

Very satisfied

Somewhat satisfied

Neutral

Somewhat dissatisfied

Very dissatisfied

If you answered "very dissatisfied", please explain

11. What topics would be of interest to you for future presentations?

12. If you have questions or concerns, please feel free to leave your name and phone number or email address and we will contact you.

CE Credit Process: New User

The screenshot shows a web browser window displaying the registration page for a CE credit course. The page header includes the HSAG logo (Health Services Advisory Group) and the text "this is a secure site please provide credentials to continue" with a lock icon. Below the header, the course title "Learning Center Registration: OQR: 2015 Specifications Manual Update - 1-21-2015" is displayed. The registration form contains four input fields: "First Name:", "Last Name:", "Email:", and "Phone:". A "Register" button is located below the form fields. The page is framed by a blue and yellow border.

The screenshot displays the login interface for the HSAG Learning Management Center. At the top left, the HSAG logo is accompanied by the text "HEALTH SERVICES ADVISORY GROUP". At the top right, a security notice reads "this is a secure site please provide credentials to continue" next to a small green padlock icon. Below this, the text "Learning Management Center" is displayed. The central focus is a "Secure Login" box with a yellow background and a gold padlock icon. It contains two input fields: "User Name:" and "Password:". A "Log In" button is positioned at the bottom right of the login box.
